

MARKETING SERVICES INC.

Providing the Competitive Advantage Partnering With Marathon For Growth

MISSION STATEMENT

At Marathon, we partner with businesses to develop custom marketing and sales strategies that foster sustainable growth. Our team is dedicated to working hard, making smart decisions, and always prioritizing integrity. With a focus on personalized solutions and measurable results, we strive to build long-lasting relationships with our clients and make a positive impact in our industry.

Marathon Marketing Full Service

- Our extensive network of processors, distributors, and key accounts allows us to provide unparalleled market access and distribution channels for our clients.
- Our exclusive client-focused approach ensures that we provide ethical and professional services tailored to your specific objectives.
- Our commitment to avoiding client conflicts allows us to fully dedicate our resources to your success and deliver outstanding results.
- With over three decades of experience and cutting-edge technology such as CRM system Zendesk, Nielsen, and OpenAi, we offer a complete menu of in-house services supported by strategic business planning processes.

We Are Your Solution Providers

<u>Marathon Marketing = Results</u>

- We maintain strict confidentiality with all of our clients, protecting their proprietary information and enabling them to pursue innovative packaging projects with confidence.
- Our extensive knowledge and experience make us a trusted solution provider for distributors and major end users seeking innovative packaging solutions.
- Our commitment to strict confidentiality allows our distributors to pursue major customer opportunities with confidence, knowing that their information is secure with us.
- We offer prompt and comprehensive responses to all inquiries, including sample delivery, pricing, and options for both distributors and end users.
- Our deep understanding of the challenges and opportunities at the street level allows us to develop packaging solutions that deliver increased ROI and drive business growth for our clients.

Trusted & Respected

Marathon Key Account Team

Our account team consists of a blend of seasoned veterans and young talent, bringing together valuable experience and fresh perspectives.

The members of our Marathon Marketing Services team share a commitment to excellence, integrity, and respect in everything we do.

<u>CRM</u> and AI Software Integration

		Write codes to get day diff from 2022-01-01 to today in JavaScript
Dashboard		
MY TEAM'S GOALS	Displaying all activity = by everyone =	To get the number of days between a date and the current date in JavaScript, yo can use the 'Date' object and the 'gettime()' and 'gettimezoneOffset()' methods
Sales Revenue Out 1 - Out 31 82.716M of 833(214.00) Won Deals Won Deals Out 1 - Out 31	Explose completed a task for <u>brains</u> Explose completed a task for <u>brains</u> Guality prospect-offer-phone conversation 'getTimezoneOffset()' methods to get the number of days	Here is an example of how to use the 'bate' object and the 'getTimeO' and "getTimezonoFfsetO' methods to get the number of days between a date and th current date in JavaScript:
101 of 5	() Lead converted to Della Haidenraich	
DEAL LOAD Deals 100 60 Total \$5.992M Forecasted \$2.598M	Osla treidenreich converted from a lead by Elle Franklin	// Create Date objects for the start date and the current date
	BIC Group converted from a load by Elle Franklin	<pre>const startDate = new Gate()022, 0, 1); // January 1, 2022 const endDate = new Gate();</pre>
	(i) <u>810 Group (</u> \$0.00) converted from a lead by Elle Franklin	// Get the mamber of milliseconds in each date object
	 Elle Frankfin fart a note for <u>Camilla Hegmann</u> Hi Camilla, I tried giving you a call but you weren't available. A Elle 6 	<pre>const startTime = startDate.getTime(); const endTime = endDate.getTime(); // Get the time znew offset in minutes for each date object const startOffset = startDate.getTime:uneOffset();</pre>
	Q _{in} Elle Franklin called <u>Camilla Hegmann</u> (0:06) Left voicemail surtneme Will try to give her a call later today.	<pre>const endOffset - endDate.gttlime.com/offset(); // Calculate the difference in milliseconds between the two Date objects, // taking into account the time zone offset</pre>
181 150 110 Won Lest Urgustifier	Elle Franklin moved <u>Vive</u> to Wan	<pre>const diff = endTime - startTime + (endOffset - startOffset) * 60 * 1000;</pre>
YOP DEALS	Elle Franklin moved <u>Avaven</u> to Contacted	<pre>// Calculate the mamber of days between the two dates. cosst dayOiff = Math.floor(diff / (1000 * 50 * 50 * 50);</pre>
Soren Interactive 898.400.00 - Closure - Trent Gleichner Jaxoan	Elle Franklin scheduled an appointment: Follow up discussion 04/14/2018 05-16 PM - 06-16 PM date and time	// Print the module of days between Sa Try again days from 2022-01-01 to formy
